About the Adopt-A-Tree Campaign

Full Circle Farm's historic orchard is located right in the heart of Silicon Valley. Our orchard boasts 300 trees, to reach our goal of 380 trees by 2011, we need your support.

Please consider adopting a tree for a \$250 tax deductible donation.

Adopt-a-Tree Donors will receive:

- A customized dedication on the tree of your choice
- A invitation to our bi-annual Adopt-a-Tree brunch
- Recognition in Full Circle Farm's e-newsletter
- Recognition on Full Circle Farm's website
- Satisfaction in knowing that you are helping build a sustainable community right here in Silicon Valley

Full Circle Farm

Full Circle Farm (FCF) is an 11 acre community-based educational farm located in the heart of Silicon Valley. Our mission is to dramatically increase access to local, nutritious, life-changing food! We achieve this by delivering healthful, seasonal, farm fresh produce to local school lunch programs, restaurants, businesses, universities and our community. Our Community Supported Agriculture (CSA) program runs year-round, as does our onsite Farm Stand which is open to the public three days per week.

Situated on Santa Clara Unified School District land, Full Circle Farm's garden-based classes, workshops, field trips and events help students and families experience the connections between our community, our environment, and the soil and food that sustain us. Our integrated educational programs put students in charge of the work, responsibilities and rewards of growing, harvesting, preparing, and eating freshly grown produce. These challenging and rewarding experiences can change lifelong eating habits as well as instill sustainable thinking and responsible action in our leaders of tomorrow.

We are a living example of preserving the space and soil essential in growing the food that keeps us healthy, connected and alive.
